### ABOUT

I am a passionate and results-driven full-stack developer with a strong foundation in both front-end and back-end technologies. My journey in the world of web development began several years ago, and I have since honed my skills to become a proficient and adaptable developer. Proficient in multiple programming languages. Strong problem-solving skills and ability to work effectively in a team-based environment.

### SKILLS

#### Frontend

- HTML/CSS
- JavaScript
- Nextjs
- React.js/React Native
- Angular
- Bootstrap

#### Backend

- Node.js
- MongoDB
- SQL
- Git
- RESTful APIs

### PROJECT

#### E-Shop

An e-commerce solution providing a seamless online shopping experience for users. This project aimed to deliver a secure and user-friendly platform, allowing customers to explore, shop, and complete transactions effortlessly. Next.js: Built the website's frontend with Next.js, ensuring high performance and SEO optimization.

- **TypeScript:** Enhanced code quality and maintainability with TypeScript's type safety.
- **Prisma:** Employed Prisma as the ORM for robust database interactions, ensuring data consistency.
- **MongoDB:** Utilized MongoDB as the primary database to store product information and user data securely.
- **Firebase:** Integrated Firebase to efficiently manage image storage, enhancing website load times and security.
- **Shadcn:** Leveraged Shadcn's UI components to create a visually appealing and responsive user interface.
- **Stripe:** Integrated Stripe payment gateway for secure and seamless online transactions.

**GitHub Repository:** [E-Shop](#)

### EDUCATION

#### Full Stack Development - HackerU, 2022 | 535 hours of comprehensive education

Completed an intensive 1.5-year full-stack development program, covering 535 hours of comprehensive education in the latest coding languages, frameworks, and development tools. Demonstrated problem-solving abilities, critical thinking, and adaptability through challenging coding assignments and real-world projects.

**B.A., Associate Degree in Business Management - St. Clair College, Ontario, Canada, 2003-2005**

### EXPERIENCE

#### Freelance Web Developer - Israel 2023 - Present

Accomplished production-ready projects utilizing the latest technologies through meticulous documentation review and extensive practice.

### LANGUAGES

English - Native Speaker | Hebrew - Fully Fluent
