ABOUT

I am a passionate and results-driven full-stack developer with a strong foundation in both front-end and back-end technologies. My journey in the world of web development began several years ago, and I have since honed my skills to become a proficient and adaptable developer. Proficient in multiple programming languages. Strong problem-solving skills and ability to work effectively in a team-based environment.

SKILLS

Frontend

- HTML | CSS | SCSS
- JavaScript | Typescript
- Nextjs
- React.js/React Native
- Angular
- Bootstrap

Backend

- Node.js
- MongoDB
- SQL
- Git
- RESTful APIs

PROJECTS
